CAMPBELL PAGE IS
A NOT-FOR-PROFIT
ORGANISATION
DEDICATED
TO MAKING
A DIFFERENCE
IN OUR
COMMUNITIES.

At Campbell Page we see your potential.

Whether you have a disability, injury, illness or mental health condition we want to help you find long-term employment that best meets your needs.

We are here to:

- Help you find a great job and a brighter future.
- Ask you what support you may need along the way.
- Work with you to build on your strengths to help you start a great career.

YOUR LIFE. YOUR GOALS. YOUR JOB.

We know that sometimes finding work is easier said than done. That's why we are here to help with the things you may need along the way.

LET'S WORK TOGETHER

We are here to work with you to build on your strengths and skills to find a great job.

We bring together the best services from across the community to support you. We also have a network of local employers that can help give your career a head start. From winning applications to interview skills and new work clothes, the team are here to support you with the things you may need along the journey.

POST-PLACEMENT SUPPORT

Sometimes starting work can be hard, that's why we're in this together.

Our team of Occupational Assessors have the experience to be able to support your health and wellbeing while your career progresses. That's because we want to help you find the job that leads to a long-term career. We are with you all the way.

IN WORK SUPPORT

Our In Work Support team are here to help.

As a part of our ongoing service to you once you've found a job, we are able to work with you and your employer to ensure that your workplace is the right fit. To find out more about how our In Work Support program works, ask the team at your hub about what's involved and what you may need from them when you start work.
